

About the Music

This little work is in memory of a little girl who was tragically killed in a road accident in January 2006. My memories of her are limited to her falling asleep on my left shoulder when she was a baby. I did not see her again, but memories of that lovely, comfortable afternoon, with a new life resting on me and sleeping gently, drift easily and pleasantly across my mind as I write this.

I heard much about her progress. Meghan was musical. She loved to sing. I hope that she can sing along with this piece each time it's performed. It is with a mixture of sadness and hope that I dedicate it to her memory.
