

## Being and Time III: Paradiso

Dedicated to Irena Sprogis (Katalimovs) born 1924 and in memory of Janis Sprogis (1921-2009).

Born in Latvia, their lives disrupted by the second world war, fleeing as refugees from their homeland, they found refuge in Australia. Their son and grandsons owe them a debt of gratitude that can only be repaid by a continual struggle for peace and harmony for all of humanity.
