Lord____ Je - sus, come, come, come, Lord____ Je - sus come.

The first time through, the Choir sings the refrain, and on the repeat breaks into harmony. The refrain is repeated before and after each verse, as an antiphon.

5 Verse 1.

S.
A.

T.
B.

Lord Je - sus, come!

When one part has the chant, other parts are on "ooh" - a non-specific sound between an "o" and an "mmm". Dynamics are up to the choral director and/or singers' own musicality, but it makes sense for the part with the chant to be highlighted - along with any other ornamentation/features.
