for two flutes and piano

ROBERT MCINTYRE

Commissoned by Molly Jenkins in honour of her 25th birthday

"...the flute piece is the *Sonatine for Flute and Piano*, which has been recorded many times abroad, although I have never wanted it to be recorded in France because it doesn't yet sound really like my music.

But I haven't put any embargo on that..." - Henri Dutilleux, 1977 interview with author Claude Glayman
